B19.37 ECONOMIC PRICE ADJUSTMENT - MARKET PRICE (PC&S/BUNKERS) (CENTRAL AMERICA) (DESC JUL 1999)

- (a) WARRANTIES. The Contractor warrants that--
 - (1) The unit prices set forth in the Schedule do not include allowances for any portion of the contingency covered by this clause; and
 - (2) The prices to be invoiced hereunder shall be computed in accordance with the provisions of this clause.
- (b) **DEFINITIONS.** As used throughout this clause, the term--
 - (1) **Award price** means the unit price set forth opposite the item in the Schedule.
- (2) **Market price** means the prices published by the <u>Honduran</u> Government in the official <u>Acerdo/Decredo</u> Honduran Government publication, Acuerdo/Decredo, and is the price with which the award price is to fluctuate. The market price should be the published price for the same or similar product as the item being purchased.
- (i) **Base market price** means the price that will provide the basis for subsequent price adjustments. The base market prices are listed by item in column V of the Table below.
- (ii) Adjusting market price means the market price in effect on the date of delivery and that will be used to determine the change in market price as defined in (c)(2) below.
 - (3) Date of delivery means--
 - (i) FOR TANKER OR BARGE DELIVERIES.

 - (B) F.O.B. DESTINATION. The date and time vessel commences discharging.

(c) ADJUSTMENTS.

- (1) **NOTIFICATION.** The Contractor shall notify the Contracting Officer, Defense Energy Support Center, of any change in the market price. This notice must be received at DESC within 15 calendar days from the date thereof. If publication occurs after the effective date of the change, and the Contractor notifies the Contracting Officer within 15 calendar days, the price changes shall be retroactive from the date of publication to the effective date of the change, except that retroactivity shall not exceed 60 days from the date of publication.
- (2) Subject to the provisions of this clause, the prices payable hereunder shall be determined by adding to the award price the same number of cents, or fraction thereof, that the adjusting market price increases or decreases, as measured in U.S. dollars, per like unit of measure, subsequent to the date on which the base market price is established (see column V of the Table). In order to calculate the price change authorized under this clause, the adjusting market price must reflect the current exchange rate between U.S. dollars and (see Note 2) in effect on the date of the change.

(3) CALCULATIONS.

- (i) When there is a change in the market price published in the Acuerdo/Decredo, to calculate the new unit price, first find the change in the Acuerdo/Decredo market prices by subtracting the base market price from the new market price. Then add this difference to the award price to obtain the new unit price. Finally, convert this price to U.S. dollars by dividing the resultant figure by the applicable exchange rate in effect at the time of the change.
 - (ii) All arithmetical calculations, including the final adjusted market and unit prices, shall be rounded to four decimal places.
- (4) **NOTIFICATIONS.** Any resultant price changes shall be provided via notification through contract modifications and/or postings to the DESC web page under the heading **Doing Business with DESC** in accordance with the following:
- (i) **DECREASES.** If the Contractor fails to notify the Contracting Officer of any decrease in market price within the allotted 15-day period, such decrease shall apply to all deliveries made on or after the effective date of such decrease. However, if any overpayment is made to the Contractor as a result of the Contractor's failure to give timely notice to the Contracting Officer of any decrease in the established price, the Contractor shall be charged interest on such overpayment from the date of the overpayment to the date of reimbursement by the Contractor for the overpayment in accordance with paragraph (d), Disputes, of the CONTRACT TERMS AND CONDITIONS COMMERCIAL ITEMS clause of this contract.
- (ii) **INCREASES.** Any increase in unit price as a result of an increase in market price shall apply to all deliveries made on or after the date of receipt by the Contracting Officer of written notification from the Contractor of such increase in accordance with (c)(1) above. However, no notification incorporating an increase in a contract unit price shall be executed pursuant to this clause until the increase has been verified by the Contracting Officer.
- (5) **FAILURE TO DELIVER**. Notwithstanding any other provisions of this clause, no upward adjustment shall apply to product scheduled under the contract to be delivered before the effective date of the adjustment, unless the Contractor's failure to deliver according to the delivery schedule results from causes beyond the Contractor's control and without its fault or negligence, within the meaning of paragraphs (f), Excusable Delays, and (m), Termination for Cause, of the CONTRACT TERMS AND CONDITIONS COMMERCIAL ITEMS clause of this contract, or is the result of an allocation made in accordance with the terms of the ALLOCATION clause of this contract, in which case the contract shall be amended to make an equitable extension of the delivery schedule.
- (6) **UPWARD CEILING ON ECONOMIC PRICE ADJUSTMENT.** The Contractor agrees that the total increase in any contract unit price pursuant to these economic price adjustment provisions shall not exceed **60** percent of the award price in any applicable program year (whether a single year or a multiyear program), except as provided hereafter.
- (i) If at any time the Contractor has reason to believe that within the near future a price adjustment under the provisions of this clause will be required that will exceed the current contract ceiling price for any item, the Contractor shall promptly notify the Contracting Officer in writing of the expected increase. The notification shall include a revised ceiling the Contractor believes is sufficient to permit completion of remaining contract performance, along with appropriate explanation and documentation as required by the Contracting Officer.
- (ii) If an actual increase in the market price would raise a contract unit price for an item above the current ceiling, the Contractor shall have no obligation under this contract to fill pending or future orders for such item, as of the effective date of the increase, unless the Contracting Officer issues a contract modification to raise the ceiling. If the contract ceiling will not be raised, the Contracting Officer shall so promptly notify the Contractor in writing.

(7) **REVISION OF MARKET PRICE INDICATOR.** In the event--

- (i) Any applicable market price is discontinued or its method of derivation is altered substantially; or
- (ii) The Contracting Officer determines that the market price indicator consistently and substantially failed to reflect market conditions—

the parties shall mutually agree upon an appropriate and comparable substitute for determining the price adjustments hereunder. The contract shall be modified to reflect such substitute effective on the date the indicator was discontinued, altered, or began to consistently and substantially fail to reflect market conditions. If the parties fail to agree on an appropriate substitute, the matter shall be resolved in accordance with paragraph (d), Disputes, of the CONTRACT TERMS AND CONDITIONS - COMMERCIAL ITEMS clause of this contract.

- (d) **CONVERSION FACTORS**. If this clause requires quantity conversion for economic price adjustment purposes, the conversion factors for applicable products, as specified in the CONVERSION FACTORS provision, apply unless otherwise specified in the Schedule.
- (e) **EXAMINATION OF RECORDS.** The Contractor agrees that the Contracting Officer or designated representatives shall have the right to examine the Contractor's books, records, documents, or other data the Contracting Officer deems necessary to verify Contractor adherence to the provisions of this clause.
- (f) **FINAL INVOICE.** The Contractor shall include a statement on the final invoice that the amounts invoiced hereunder have applied all decreases required by this clause.

 - (2) In the event the Government is unable to release one or more payments by EFT, the Contractor agrees to either-
 - (i) Accept payment by check or some other mutually agreeable method of payment; or
- (ii) Request the Government to extend the payment due date until such time as the Government can make payment by EFT (but see paragraph (d) of this clause).
- (b) **CONTRACTOR'S EFT INFORMATION.** The Government shall make payment to the Contractor using the EFT information contained in the Central Contractor Registration (CCR) database. In the event that the EFT information changes, the Contractor shall be responsible for providing the updated information to the CCR database.
- (c) **MECHANISMS FOR EFT PAYMENT.** The Government shall make payment by EFT through either the Automated Clearing House (ACH) network, subject to the rules of the National Automated Clearing House Association, or the Fedwire Transfer System. The rules governing Federal payments through the ACH are contained in 31 CFR Part 210.

If the Contractor's EFT information in the CCR database is incorrect, then the Government need not make payment to the Contractor under this contract until correct EFT information is entered into the CCR database; and any invoice or contract financing request shall be deemed not to be a proper invoice for the purpose of prompt payment under this contract. The prompt payment terms of the contract regarding notice of an improper invoice and delays in accrual of interest penalties apply.
- (e) **CONTRACTOR EFT ARRANGEMENTS.** The Contractor has identified multiple payment receiving points (i.e., more than one remittance address and/or EFT information set) in the CCR database, and the Contractor has not notified the Government of the payment receiving point applicable to this contract, the Government shall make payment to the first payment receiving point (EFT information set or remittance address as applicable) listed in the CCR database.
